## PHASE II: Saint Paul Opportunity Center and Dorothy Day Residence

Construction is scheduled to begin on the Saint Paul Opportunity Center and Dorothy Day Residence in Spring 2017, and is anticipated to be complete in late 2018. In partnership with Ramsey County and several nonprofit organizations, the Saint Paul Opportunity Center will provide:

- Job training
- Physical and mental health clinics
- A Veterans Resource Hub
- Housing retention and placement services

The Dorothy Day Residence will provide an additional 171 units of much needed affordable housing. In addition to veterans preference for nearly all housing, there will be dedicated housing for young adults and a housing wing dedicated for veterans is planned.

When completed, Catholic Charities' Dorothy Day Place will have a transformative impact on thousands of lives and will be a key milestone for advancing the statewide plan to prevent and end homelessness.
