A CAPITAL CAMPAIGN FOR CATHOLIC CHARITIES

Dorothy Day Place

ALL OF US TOGETHER

Deep poverty and homelessness diminish the strength and vitality of our entire community. Dorothy Day Place is an historic opportunity to fight the causes of homelessness and hopelessness.

In 1981, Dorothy Day Center opened to provide daytime services and respite to the vulnerable. It was not designed or intended to be an overnight shelter. Nevertheless, that's what it became. Due to increasing need, we began to provide services 24 hours a day, 7 days a week. In 2011, for the first time, Dorothy Day Center exceeded capacity and people were turned away. Crisis inspired action.

The community united around a new vision - Dorothy Day Place - to provide dignified shelter, permanent homes and pathways out of poverty. This new vision inspired an historic \$100 million public-private partnership, the largest in housing and social services in state history.

All of us, together, have made the vision of Dorothy Day Place a reality.

"The world will be saved by beauty, and what is more beautiful than love?" - Dorothy Day

May all who enter Dorothy Day Place, regardless of faith, background or circumstance, be inspired by its beauty and comforted by the love which created it.

Poverty For No One. Opportunity For Everyone.

Homes. Opportunities. Hope.

More than 500 generous individuals, families, businesses, foundations, corporations, civic and faith organizations contributed generously to the \$40 million private Capital Campaign for Dorothy Day Place.
